Instructions for DVIDA Exams with no DVIDA Manual:

Part A - Same as other exams, plus solo amalgamation.

Part B - Ask Summary as Leader or follower demonstrating with count - 3 figures from 1st half of syllabus, 3 figures from second half of syllabus.

Part C - Ask candidate to thoroughly demonstrate how they would teach two figures (different figures than part B). They will teach one as if teaching a Leader and the other as teaching a Follower. Their demonstration should include all relevant information, especially lead and follow, and tips to make the figure work most effectively. The technique should be based on the DVIDA videos for the dance they are examining in.

Part D - Same as other dances.
